Ms. Chetachi A. Ikedinachi
185 Turnberry Pl Apt A
Saint Peters, MO 63376-4457

Dear Chetachi:

Congratulations! The Purdue University Admissions Committee is pleased to offer you admission to **Cybersecurity** in the Purdue Polytechnic Institute at **Purdue University in West Lafayette** for Fall 2026.

Discover your next steps on the [Office of Admissions website](#). One of the first steps in your journey to Purdue is to activate your online student career account. To activate your account, return to your [application portal](#), click the 'Set Up Your Student Career Account' button, and follow the prompts. With this account, you'll gain access to your @purdue.edu email and online student portal, [myPurdue](#), through which you will conduct most of your business with Purdue.

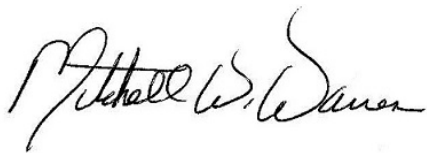

For those who submit a FAFSA, you will view your financial aid notification letter online in [myPurdue](#). When it becomes available, you should receive an email prompting you to check your financial aid notification.

If you are a student with a disability seeking accommodations, visit the [Disability Resource Center](#) for more information or contact them at [\(765\) 494-1247](#) or drc@purdue.edu.

Please keep in mind that all Purdue offers of admission are contingent, based upon the expectation that students will uphold the academic and personal conduct standards upon which they were admitted. The university reserves the right to rescind an offer of admission if an individual's circumstances warrant. Also, please know that switching majors at Purdue is never a guarantee — if you accept your admission offer, make sure you want the program to which you are admitted.

Look for more information via email that will facilitate your transition to Purdue. On behalf of Purdue's faculty and staff, I welcome you to the Boilermaker community — we are here to support you every step of the way as you pursue your personal and professional goals. If you have any questions now or at any point during your transition to Purdue, don't hesitate to contact the Office of Admissions.

Sincerely,

Mitch Warren
Assistant Vice Provost & Director of Admissions
